Connections Model in Action!

What do I want to teach the child to do?

What is influencing the child right now?

Internal factors:

- ☐ Arousal Level
  _____
- ☐ Stress
  _____
- ☐ Sensations
  _____

External factors:

- ☐ Learning environment
  _____
- ☐ Activity set-up
  _____
- ☐ Teaching Style
  _____

What is the challenge?

Reflections...

Is this a replacement behavior?

Can we continue the observed behavior somewhere else or in some other way?

Is what I'm teaching the "just right" challenge?

No? What could I change?

How can I teach them the desired behavior... (new behavior, new place, new tools etc.)

Regulate

sensory strategies to get to green zone

Relate

shared sensory experience leading to circles

Respond

teach, demonstrate, instruct
