

## Total Tech Blueprint: Vetting Digital Resources

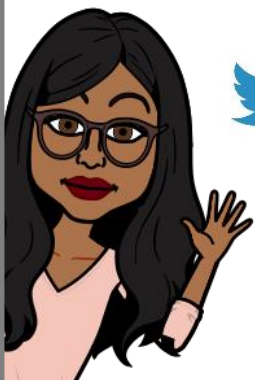

[Link to Participant Slides:](#)

[http://bit.ly/NCCE\\_Total\\_Tech\\_Blueprint](http://bit.ly/NCCE_Total_Tech_Blueprint)

Does your school need a blueprint for how to vet and choose quality digital resources for classroom digital tools, blended learning, content management systems, and other resources that fit the instructional needs of diverse groups of students? We have it! Come gain guidance in choosing better digital tools to support your instructional program across content areas. In this work session. Participants will have hands-on exploration, and walk through the vetting process on various platforms guided by a comprehensive rubric. Don't miss it!
